Employer's Statement of Participation

As an Employer Partner in the MentorAbility Canada project:

I am willing to identify mentors within my organization to support one or more mentoring matches

I understand that as part of the Mentor role, our participants will be asked to provide feedback on their experience through a short online survey

I am willing to work with MentorAbility Canada to review and approve any story related to my organization and employees prior to them being shared on social media. With that in mind, I give permission to MentorAbility Canada to share the mentoring stories that are associated with my organization to promote and document the initiative.

Receiving Information

I would like to receive information from the Canadian Association for Supported Employment. Information includes emails, event invitations, newsletters, and announcements. I understand that I can unsubscribe at any time.
